Thursday	COMMENCING	4.00pm

From January 2008 Warrington Swim Scheme swimming lessons will be based upon a framework called the National Plan For Teaching Swimming (NPTS). It is produced by the Amateur Swimming Association (ASA), which is the National Governing Body for Swimming.

The NPTS provides a national syllabus for aquatic achievement. The NPTS framework encourages swimming lesson providers to deliver aquatic instruction in a FUN environment to aid learning and understanding. You will notice an emphasis on fun and games within your child's swimming lesson. The use of games and fun activities to deliver learning outcomes is proven to be the most effective way for children to learn and all activities will have a purpose behind them.

When completing your application, a choice of two Centres is allowed, but the Swim Scheme will allocate the actual day. Your child will be offered the opportunity to continue lessons at the end of each course of lessons, but a change in teacher, day or Centre will be necessary as the child progresses through the syllabus. You will have access to waiting list information at all four of the leisure centres - Broomfields Leisure Centre, Fordton Leisure Centre, Great Sankey Leisure Centre and Woolston Leisure Centre.

A course of swimming lessons will be 12 weeks in duration. Each child will move on to the next level as he/she achieves all the skills at each level. ASA badges and certificates will be awarded, at an additional cost, only when a child achieves all the appropriate skills at each level. A booklet outlining the syllabus and progression route will be issued to each child that enrolls for a swimming lesson.

Your child's 'journey through aquatics' will be enhanced with the new programme as there will be progressive stepping stones along the way and more opportunities later on to take part in a wider range of activities and other water based sports.

We are offering a comprehensive, progressive teaching programme based on sound technical and educational principles. In implementing these changes Select Leisure aims to provide a higher standard and an even better quality of lesson.

Application **Swimming Lessons**
