Primary Education - Information for Parents 2018 - 19
The information contained in this booklet was correct at the time of going to publication.
INTRODUCTION

Dear Parent/Carer

This booklet has been produced as a guide to all admissions to primary schools in the Borough of Warrington. There are two types of primary school admissions which are as follows:

1. Children transferring into Reception Class in September 2018 (referred to as normal rounds of admission);
2. In year admissions, which are all other admissions where children move from one school to another part way through a school year.

The booklet provides important information on the processes associated with admissions to schools and gives details of how places are allocated (normal rounds) which should help you make an informed decision about your preferences.

Please take the time to read the booklet carefully before completing an application, even if you have already decided which schools you prefer.

The law gives parents/carers the right to express a preference for which school you wish your child to attend. It is very important that you understand that this is not the same as being able to choose a school. Admission to your school of first preference depends on meeting the criteria that are explained in this booklet and availability of places at that school. The booklet tells you about the schools in Warrington, how to apply for a place and what to do if we cannot meet the preferences that you express.

Finally please make sure that you submit your application for admission to Reception Class on or before the deadline date which is Monday 15 January 2018. Late applications will only be considered after all on time applications have been processed and will significantly reduce our ability to offer a place at your preferred school.

Yours faithfully

Steve Reddy

POINTS TO BE CONSIDERED BEFORE COMPLETING YOUR APPLICATION FOR ADMISSION TO RECEPTION CLASS IN SEPTEMBER 2018

Admission Arrangements – Academic year 2018/19
All Admission Authorities must have admission arrangements that clearly set out how children will be admitted to their school, including the criteria that will be applied if there are more applications received for the school than there are places available (oversubscription criteria).

Admission arrangements must be determined annually by 28 February, even if they have not changed from the previous year’s and a consultation has not been required. A copy of the full arrangements for community schools is available to download from our website: www.warrington.gov.uk/admissions

For full copies of all the Faith and Academy Schools admission arrangements please contact the individual schools direct or visit the school’s website.

Co-ordinated admissions
There are regulations which require all Local Authorities to co-ordinate admissions in accordance with a published scheme.

Under the co-ordinated admission arrangements, applications must be made to a parent’s home Local Authority (the Authority to which they pay their council tax). Warrington Local Authority will notify all parents living within the Borough of Warrington of the place allocated to their child, even if the place offered is at a school situated within another Local Authority. These arrangements are to ensure that every parent living in a Local Authority receives an offer of one (and only one) school place on the same day.

Where the place is for a Faith or Academy School, the Governing Body/Academy Trust (as the Admission Authority) will make the allocation decision but the Local Authority will send out the letter on behalf of the Governing Body/Academy Trust.

The scheme for co-ordinated admissions is available to view or download on our website www.warrington.gov.uk/admissions

Published Admissions Numbers (PAN)
As part of their admission arrangements all Admission Authorities must set an admission number for each relevant age group. This number identifies the maximum number of places available in each year group. The admission number for September 2018 in each school is published in this booklet on pages 18-40.

Oversubscription criteria and additional information
All schools must have oversubscription criteria. The oversubscription criteria are part of the school’s admission arrangements and could change on an annual basis. If more applications are received than there are places available then it means that the school is oversubscribed. When this happens the oversubscription criteria will be applied in order to decide how places are allocated.
Apply online until 15 January 2018 at www.warrington.gov.uk/admissions

PLEASE NOTE ATTENDANCE AT A NURSERY SCHOOL DOES NOT AUTOMATICALLY GUARANTEE A RECEPTION PLACE AT PRIMARY SCHOOL UNLESS THIS IS A CRITERION OF THE SCHOOL’S OVERSUBSCRIPTION POLICY

The 2018/19 oversubscription criteria for all Warrington schools are detailed on pages 41-76 of this booklet. Information on the 2017/18 oversubscription criteria can be found in the 2017/18 Primary Information for Parents booklet a copy of which is available to view or download on our website www.warrington.gov.uk/admissions

If you wish the Admission Authority to consider your application under a Medical or Social criterion, then supporting evidence must be provided at the time of application. This information must clearly demonstrate why it is the only school that can meet your child’s needs. The information must be forwarded to the School Admissions Team.

Admission Age
Legally your child reaches compulsory school age at the beginning of the term following their fifth birthday. However in Warrington it is current Local Authority policy to provide education from the beginning of the school year in which your child is 5 years old. This means that a school place will be available in Autumn Term 2018 for every child who was born on or between 1 September 2013 and 31 August 2014.

Admission of children outside their normal age group
The Parents/Carers of Summer born children, (born in April, May, June, July and August) may consider delaying entry to reception for a year due to concerns, for example, about their child’s school readiness.

When considering any request for admission of children outside their normal age group, the admission authority will take full account of parent’s views but will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. If a child is allowed a delayed admission to school and starts reception a year later, the Local Authority will expect the child to have access to the Early Years curriculum during the year leading up to the child starting reception class i.e. attendance at a nursery setting. Initially, parents seeking to educate their child outside the normal age group (out of cohort request) should be advised to have a discussion with the Headteacher of their child’s prospective school. The Headteacher may be able to allay any concerns parents may have about school readiness. The school should also be able to explain the provision on offer to children and how the needs of the youngest pupils are met.

Following this if parents still wish to pursue an out of cohort request, they must write to the schools admission authority setting out the reasons why, in their view, the child would benefit from being educated outside their normal age group.

If the admission authority agrees a request to be taught outside the normal age group, this does not guarantee a place in the school’s reception class for the following year. A further application will need to be made during the following year’s normal admissions rounds.

For a copy of the full policy and details of how to apply please visit our website www.warrington.gov.uk

Deferred entry
Where a child has been offered a place at a school, and you prefer to defer your child’s entry the parent/carer also has the following options:-
Apply online until 15 January 2018 at www.warrington.gov.uk/admissions

PLEASE NOTE ATTENDANCE AT A NURSERY SCHOOL DOES NOT AUTOMATICALLY GUARANTEE A RECEPTION PLACE AT PRIMARY SCHOOL UNLESS THIS IS A CRITERION OF THE SCHOOL’S OVERSUBSCRIPTION POLICY

a) Defer the date their child is admitted to school until later in the school year but not beyond the point at which they reach compulsory school age (5 years) and not beyond the final term of the school year for which the application was made;

Or

b) Request their child attends part time until later in the school year but not beyond the point at which they reach compulsory school age (5 years).

Any request should be made to the Headteacher.

Applying for schools outside Warrington

If you live in Warrington and wish to apply for schools in another Local Authority, you must do so on the Warrington online application form. If you name a school outside Warrington please take the time to read that Local Authority’s Information Booklet as well as Warrington’s as their admission arrangements may be different to those applied in Warrington. Contact details for neighbouring Authorities can be found on pages 89-90.

After the closing date for applications it is a legal requirement for Local Authorities to exchange information which is relevant to schools in their area.

Please note other Local Authorities may specify some different deadlines and requirements regarding their admissions process. So, if you are applying for a school in another Local Authority area please ensure you contact the relevant Local Authority for further information.

Applications from parents who live outside Warrington

If you reside in another Local Authority and wish to apply for a Warrington school you should complete your home Local Authority’s online application form and read both Local Authority’s Information Booklets before submitting your application. Contact details for neighbouring Authorities can be found on pages 88-89.

After the closing date for applications it is a legal requirement for Local Authorities to exchange information which is relevant to schools in their area.

Please note your home Local Authority may specify some different deadlines and requirements regarding their admissions process. So, if you live outside of the Warrington area and wish to apply for a Warrington school please read both Local Authority’s booklets carefully before submitting your application.

Only one application per child is permitted

The Local Authority will only accept one application per child for a school place. Where parents disagree on school preferences for their child, they must settle their differences between each other and submit one form.
Definition of a child’s current address
For allocation purposes the home address is defined as the address where the child lives, not a grandparents or childminders. Where a child lives with parents with shared responsibility the address given on the form should be the address of the parent who is in receipt of the child benefit and/or child tax credit.

It may be necessary for the Local Authority to carry out checks to confirm addresses given are genuine. Parents may, therefore, be asked to provide documentary evidence of their child’s home address.

Supplementary Forms
This applies to applications for Faith schools only.

If parents wish to include a Faith school as any of their preferences then they should also complete the school’s own supplementary form which when completed and returned to the school will give the school the relevant information to help them decide the correct oversubscription criterion that your child falls under. Please complete a supplementary form even if you have listed a Faith school as a second or third preference.

The supplementary form will not be regarded as a valid application unless you have also completed the Local Authority application form and nominated the school concerned on it.

All supplementary forms are available from each individual school or alternatively they can be downloaded from our website www.warrington.gov.uk/admissions. Once completed these forms should be returned to the school.

Children in Care and Children formerly in Care
Children Formerly in Care are as defined previously Looked After Children who have ceased to be so because they have been Adopted or became subject to a Child Arrangement Order or Residence Order immediately following being looked after.

If your child is a child formerly in care then a copy of the Adoption Certificate, Child Arrangement Order or Residence Order will be required by the School Admissions Team at the time of application. This information should be sent to the School Admissions Team either by post or email.

Siblings
Siblings are defined as elder brothers and sisters already attending the preferred school and expected to continue in the following year.
Children of multiple births
In respect of twins, triplets etc. the Admission Authority will apply the oversubscription criteria in the normal way but will oversubscribe a school if a family would otherwise be split.

Pupils with Education, Health and Care Plans
If your child has an Education, Health and Care Plan you should indicate this on your application form. The application will then be forwarded to the EHCP Assessment Team to be processed.

Parents of children currently undergoing assessment for an Education, Health and Care Plan should follow the procedures outlined in this booklet and complete an online preference form for their child.

Any allocation of a place will be in consultation with the Transforming Learning Division once the statutory assessment is completed.

Amending your application
You can make changes to your online application form up to the closing date of 15 January 2018. All you need to do is go back to the online application form (you will need your username and password), make the changes and then you must re-submit your application. If you do not re-submit, your application form will not be registered.

All requests to make changes to your application received after the closing date of 15 January 2018 will be considered as late, unless the child has changed address or has recently been taken into care. All requests should be made in writing stating your reasons for the change.

Late changes will only be considered after all other on time applications have been processed.

Any requests to make changes to your application received after 2 April 2018 will only be processed after the national offer day which is 16 April 2018.

Change of address
You can make changes to your online application form up to the closing date of 15 January 2018. All you need to do is go back to your online application form (you will need your username and password), make the changes and then you must re-submit your application. If you do not re-submit, your application form will not be registered.

If you change address after the closing date of 15 January 2018 you must inform us in writing, Proof of your new address must be provided in the form of an exchange of contracts or a tenancy agreement, for a minimum period of 6 months. Only once this information is received will your child’s records be updated.

In Warrington, address changes with supporting documentary proof can only be accepted up until Monday 2 April 2018. Any changes received after this date will be dealt with after the allocation date Monday 16 April 2018.
Apply online until 15 January 2018 at [www.warrington.gov.uk/admissions](http://www.warrington.gov.uk/admissions)

Please note other Local Authorities may specify some different deadlines and requirements regarding their admissions process. So, if you are moving out/into Warrington please ensure that you contact the relevant Local Authorities for further information.

**Late applications**

All applications submitted on or before the closing date of 15 January 2018 will be processed at the same time. Late applications will be processed after all those received on time, unless the child has changed address or has recently been taken into care.

All applications which are received after the closing date of 15 January 2018 will be classed as late and processed after those which were received on time. You should be aware that a late application could reduce the chance of gaining a place at your preferred school.
THINGS TO BE AWARE OF WHEN EXPRESSING AND RANKING YOUR PREFERENCES

Equal preferences
From September 2008, following a change in the law, The Education and Inspections Act 2006 and the School Admissions Code, required all Admission Authorities to operate an Equal Preference System for dealing with applications to school.

Under the Equal Preference System the three preferences you name on the application form will be treated equally. The preference order will only be used if your child fulfils the admission criteria for more than one of the schools you have listed on your preference form. If this is the case your child will be allocated a place at the school you placed as the highest preference, for which your child qualifies for a place. It is therefore important for you to name the schools you prefer in order of preference.

If we are not able to offer you a place at the school of your first preference, your second and third preferences will be considered alongside first preference applications for those schools. It is therefore very important that you take the opportunity to name three schools on the preference form.

The number of preferences for a particular school can vary from year to year and over a period of years. Information is provided in the table of Warrington schools on pages 19-41 on which schools were oversubscribed for the previous school year.

You can also find more detailed information on last year’s allocation in the Refusal Forms (R forms) copies of which are available to view or download from our website: www.warrington.gov.uk/admissions

Second and third preferences
If you do not name a second or third preference, it does not increase your chances of getting a place at the school you have put first. It means you have wasted your preferences and, if you do not obtain a place at your first preference school, you may lose priority for another school where you might otherwise have obtained a place.

Please do not name a school more than once. This does not improve your chances of getting a place there. It means that if you do not obtain a place at the school, the Admissions Team do not know which other schools are of interest to you. You may lose priority for another school where you might otherwise have gained a place.

Reasons
Parents can indicate reasons for their preferences. Since Admission Authorities can only allocate places on the basis of the published oversubscription criteria, your reasons should relate to the criteria published by your preferred school(s).

When preferences cannot be met
If we are not able to offer your child a place at any of your preferred schools, your child will be offered a place at the nearest school to the home address which has a place available. When this school is a Faith,
Academy or Free school any offer of a place would be made in agreement with, and on behalf of, the Governing Body/Academy Trust as Admission Authority for the school.

Changes to preferences
You can make changes to your application form up until midnight on 15 January 2018. All you need to do is go back to the online application form, (you will need your username and password), make your changes and then you must re-submit your application. If you do not re-submit, your application form will not be registered.

After the closing date, 15 January 2018, the online facility is no longer available so you would need to contact the School Admissions Team.

All requests to make changes to your application received after the closing date of 15 January 2018 will be considered as late, unless the child has changed address or has recently been taken into care. All requests should be made in writing stating your reasons for the change.

Late changes will only be considered after all other on time applications have been processed.

Please remember that address changes with supporting documentary proof (copy of the exchange of contracts or a tenancy agreement of at least 6 months) will only be accepted up until 2 April 2018. Any later changes of address will be dealt with after the allocation date of 16 April 2018.

Once places have been allocated (after 16 April 2018), you may request a change of school but it may be difficult to meet your revised preference. All requests for a change of preference must be made in writing.
NOTIFICATION

Offers
The offer information will be sent to your home address on 16 April 2018. Please allow time for the letter to be received before contacting the office.

If you have expressed a preference to receive the offer information via email the information will also be sent to the email address (which you provided on the online application form) from 10:00 hrs.

In the unlikely event of the email notifying you of an offer of a school place which is different to the offer information in the letter, the school place offered in the letter will always prevail.

If you have been offered one of your preferred schools it is assumed that you will accept the place and no further action will need to be taken. The school will contact you in due course to arrange admission and to invite you to the school.

If you are refused a preference (or preferences), your letter will include a breakdown of how places were allocated in accordance with the school’s oversubscription criteria. It will also include details regarding waiting lists and appeals procedures.

If you are a Warrington resident and we are unable to offer a place at any of your preferred schools we have a duty to offer a place at the next nearest school with a place available, measured in a straight line distance from the address point of your residence to the address point of the school. In the event you are offered a next nearest school you will be asked to complete a reply slip indicating whether or not you accept the place offered.

Reception waiting lists
Waiting lists for oversubscribed schools will be maintained by the Local Authority until the end of the Autumn Term 2018 (i.e. 31 December 2018). This is because vacancies sometimes arise after the initial allocation of places has been made.

When parents are refused one of their preferences, their child’s name will be automatically added to the waiting list for that school. If a place becomes available, it will be offered to the child at the top of the waiting list. These places will only be offered after 14 May 2018.

Waiting lists are held strictly in oversubscription criteria order. If you change address during the time the waiting list is held, documentary proof of the address change will be required. The order of the waiting list can change as applicants leave or join the list, or as the circumstance of the applicant change e.g. change of address, change of primary school, sibling joining or leaving the preferred school.

Appeals
If your child is refused a place at any school for which you have expressed a preference, you have the right of appeal against this decision. This applies whether the school is Community, Faith or Academy.
Apply online until 15 January 2018 at www.warrington.gov.uk/admissions

Please note attendance at a nursery school does not automatically guarantee a reception place at primary school unless this is a criterion of the school’s oversubscription policy.

The letter explaining that a place cannot be offered to your child will include an appeal form and details of how to appeal if you wish to do so. The letter will also tell you the time limit within which you can appeal where appropriate. You must send the completed appeal form to the Admissions Team at New Town House or you can email a scanned copy to schooladmissions@warrington.gov.uk

An acknowledgement letter will be sent to you giving a telephone number in case you have any queries.

All appeal paperwork will be sent to the Clerk to the Independent Appeals Panel who will arrange dates for the appeal(s) to be heard and will contact you direct with details. All appeals lodged by the 14 May 2018 should be heard within 40 school days of this date.

Before deciding whether to appeal, you will probably want to think about the school’s published policy for admitting pupils, your reasons for wanting your child to attend the school and how strong a case you have. You may also want to visit the school where you have been offered a place.

If your appeal is successful there will be no assistance with transport unless you qualify under the Local Authority’s transport policy.

If your appeal is declined you are not able to appeal again for the same school for the same academic year unless there has been a significant material change of your circumstances (e.g. change of residence).

NB For pupils who have an Education Health and Care Plan any appeal with regard to the school named in the Education, Health and Care Plan would be to the Special Educational Needs and Disability Tribunal rather than the Independent Appeals Panel.

Appealing against admission decisions for Key Stage One (Infant) children
The Schools Standards and Framework Act 1998 require that from September 2001 no five, six or seven year old in an infant class at a maintained school will be in a class of more than 30 pupils. If your preference for a primary school is refused because the class has reached its statutory limit, you will have the right of appeal but this category of appeal can only be upheld if an Appeal Panel is satisfied:

(a) that the decision was not one which a reasonable admission authority would make in the circumstances of the case; or
(b) that the child would have been offered a place if the admission arrangements had been properly implemented.

More detailed information about this will be provided if it is not possible for your first preference of school to be met.

PRIMARY SCHOOLS IN WARRINGTON

This section provides information about all Warrington primary schools including contact details, age range of pupils, published admission number, how places were allocated for the previous year and the individual school’s oversubscription criteria for 2018/19.

The information provided should enable you to estimate your chances of success at being allocated a place at a particular school before submitting your application.

Please be aware that how places are allocated can significantly change each year.

It is important to remember that none of the admissions criteria guarantee a place at a school.

The table on pages 19-41 contains individual schools details and information regarding how places were allocated for September 2017. Please be aware that the 2017/18 oversubscription criteria for each school has been used when allocating these places, details of which can be found in the 2017/18 Information Booklet, which is available to view or download on our website www.warrington.gov.uk/admissions

Types of primary school
There are three types of primary school in Warrington. These are:

• Academies
Academies are independently managed, all ability schools set up by sponsors from business, faith or voluntary groups in partnership with the Department for Education. Together they fund land and buildings, with the government covering the running costs. The Academy Trust is the Admission Authority for the school. Each Academy Trust has its own published admission criteria as detailed on the individual school’s information page in this booklet and is responsible for the allocation of places. The Local Authority informs parents of the allocation decisions on the school’s behalf.

• Community schools
The Local Authority owns the school land and buildings and employs the staff on the recommendation of the Governing Body. As the Admission Authority for all community schools, the Local Authority deals with the allocation of places using the published admission criteria for community schools as detailed on the individual school’s information page in this booklet.

• Faith schools
The Governing Body is the employer and the school’s land and buildings are normally owned by the church or a charitable foundation and they contribute towards capital costs of running the school. The Governing Body is the Admission Authority for the school. Each Governing Body has its own published admission criteria as detailed on the individual school’s information page in this booklet and is responsible for the allocation of places. The Local Authority informs parents of the allocation decisions on the school’s behalf.

PLEASE NOTE ATTENDANCE AT A NURSERY SCHOOL DOES NOT AUTOMATICALLY GUARANTEE A RECEPTION PLACE AT PRIMARY SCHOOL UNLESS THIS IS A CRITERION OF THE SCHOOL’S OVERSUBSCRIPTION POLICY
Infant/Junior schools
There are two Infant schools in Warrington. Both have an associated Junior School where the transfer from infant to junior school is automatic and no application needs to be made. The schools are:-

- Thelwall Community Infant School associated Junior school is Thelwall Community Junior School

Obtaining more information about individual schools

- **Visit the schools**
  It is a good idea to attend the open evenings of schools you may be interested in before deciding which one you prefer your child to attend.

- **School prospectus/school websites**
  Each year schools publish a prospectus that provides information about their school. A hard copy of the prospectus is available from the school or, if you have internet access, log on to the school’s website to view or download a copy. The schools website addresses can be found on pages 18-40.

- **Ofsted inspection reports**
  Summaries of inspections carried out by Inspectors on behalf of the Office for Standards in Education (OFSTED) are available in schools. Headteachers will provide information on the action plans which address issues raised in OFSTED reports. OFSTED reports can be viewed on www.reports.ofsted.gov.uk

- **School performance tables**
  Copies of the published primary school Achievement and Attainment Tables for Warrington primary schools may be inspected in local libraries or are obtainable from the Department for Education by telephoning 0800 242322 or online at www.gov.uk/school-performance-tables.
Apply online until 15 January 2018 at www.warrington.gov.uk/admissions

1. Children in Care and children formerly in care*

2. Siblings (pupils with elder brothers or sisters already attending the preferred school and expected to continue at the school in the following year. This includes full, half or step brothers and sisters and foster brothers and sisters who are living at the same address as part of the same family unit).

3. Pupils for whom advice from a medical practitioner or psychologist has been provided by the parents/carers at the time of application in support of admission to a particular school, which, in the Council’s view, justifies admission to the preferred school. 4. Pupils living nearest to the school measured as a direct distance from the child’s permanent place of residence to the school measured using a geographical information address point system based on the local land and property gazetteer (LLPG). NB: Where a school reaches its published admission number from pupils within one of the categories listed above, those pupils to be admitted from within that category will be those whose permanent place of residence are closest to the school as defined in oversubscription criterion 4.

For the purpose of dealing with applications for admission on the grounds of a sibling being in attendance, separate Infant and Junior schools will be regarded as a single unit.

*Children in Care and Children Formerly in Care is defined as looked after children and previously looked after children who have ceased to be in care because they have been adopted or become subject to a Child Arrangement Order or Residence Order.

This is measured using a Geographical Information System based on the Local Land and Property Gazetteer (LLPG).

This measures straight line (direct) distances in miles from the address point of the permanent place of residence to the address point of the school.

A tie breaker must be applied to decide which applicant will be offered the last place at a school when two or more applicants cannot otherwise be separated. In the event of the direct distances (in miles) being the same for two or more applicants and the last place to be allocated would be to one of these applicants, the measurements would be taken again in kilometres and the place will be offered to the applicant living nearest to the school in kilometres. In the event that the distances measured in kilometres are the same, a random allocation will be applied.

** Supporting evidence from a professional e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school.

A child previously in care is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

• Distance will be measured in a straight line from the child’s permanent home address (including the community entrance to flats) to the school, measured using a Geographical Information Address Point System based on the Local Land and Property Gazetteer (LLPG). In the event of distances being the same for two or more applicants where this distance would be last place allocated, a random lottery will be carried out in a public place.

• Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer’s partner where the child for whom the place is sought is living in the same family unit at the same address.

TRANSFER BETWEEN PRIMARY SCHOOLS

In year admissions
In year admission applications are those requesting transfer from one school to another outside of the normal admissions round, for example when a family moves house part way through a school year. Generally a child will be admitted to another school if there is a place available in the required year group, with the exception of those children whose circumstances meet the requirements of the Fair Access Protocol.

If your request for an in year transfer is not because of a change of address or relocation from overseas, you are strongly advised to think carefully before you transfer your child to another school since this causes an unnecessary break in your child’s education. Problems that your child may be experiencing may not go away simply as a result of a change of school. If you are worried about your child’s progress at school you are advised first of all to discuss matters with the Headteacher. Whenever possible, it is better for transfers to take place at the beginning of a term.

Fair Access Protocol
Each Local Authority must have a Fair Access Protocol agreed with schools in its area including Academies and Free Schools, to ensure that unplaced children especially the most vulnerable are offered a place at a suitable school as quickly as possible. This ensures that access to education is secured quickly for children who have no school place and that all schools in an area admit their fair share of pupils with challenging behaviour.

The School Admissions Team assesses all applications to identify those which meet the requirements of the Fair Access Protocol. The criteria are as follows:

a) Children from the criminal justice system or Pupil Referral Unit (PRU) who need to be reintegrated into mainstream school;
b) Children who have been out of the UK education system for 2 months or more;
c) Children of gypsies, Roma, travellers, refugees and asylum seekers;
d) Children who are homeless;
e) Children with unsupportive family backgrounds for whom a place has not been sought;
f) Children who are carers;
g) Children with SEN, disabilities or medical conditions (but without an Education, Health and Care Plan);
h) Key stage one children whose attendance is less than 85%;
i) Key stage two children whose attendance is less than 90%;
j) Children who have accessed support from New Horizons;
k) Children who have required behaviour support;
l) Children who have a period of exclusion during the last 12 months to date;
m) Children who have been permanently excluded;
n) Children who have required support from outside agencies;
o) Number of school moves during the last academic year.
The outcome of the assessment will determine how the Local Authority will share out these applications between all suitable schools. The Local Authority must ensure that no school, including those with places available, is asked to take a disproportionate number of children who have been permanently excluded from other schools or who have challenging behaviour compared to other schools in the area.

**To Apply**
Application forms and further information on the in year transfer process is available on our website [www.warrington.gov.uk/admissions](http://www.warrington.gov.uk/admissions) or by contacting the Admissions Team on 01925 446226.

**Exceptional circumstances**
If you have just relocated to Warrington or relocated within Warrington and are refused all of your preferred schools, the Local Authority has a statutory duty to ensure that an alternative school is offered to your child which is within a reasonable distance (2 miles, walking distance) from your home address. Where the school is a Faith school or Academy, any offer will be made in agreement with and on behalf of the School’s Admission Authority.

If there are no places available within a reasonable distance from your home address, the Local Authority must decide which school is the appropriate school to offer based on the circumstances of both the applicant and the school.

The Local Authority will consult the Headteacher at the school to decide whether or not, on balance, the prejudice caused to the child by not admitting them to a particular school outweighs the prejudice caused to the school by admitting the child. The Local Authority would make every effort to share such requests between schools which are local to the applicant’s address, when it is reasonable to do so.

NB: Proof of a change of residence will be required in the form of a copy of an exchange of contracts or if moving to a rented property a tenancy agreement of a minimum period of 6 months.

Where all the above statements do not apply, you will be offered the right of appeal.

**Taking up an offered place**
Where a place is offered at a school as an in year admission (i.e. not first admission to either primary or secondary school) the parent would be expected to admit the child to the school within 6 school weeks of the offer of a place.

This applies where:
- an available place has been offered, or
- a place has been offered at an oversubscribed school under the test for exceptional circumstances, or
- a place has been offered as a result of a decision of the Independent Appeals Panel.
Appeals procedure

If your child is refused a place at any school for which you have expressed a preference, you have the right to appeal against this decision. This applies whether the school is Community, Faith or Academy.

The letter telling you that a place cannot be offered to your child will include details of how to appeal if you wish to do so. The letter will also tell you the time limit within which you can appeal where appropriate. A letter acknowledging receipt of your appeal paperwork will be sent to you.

Before deciding whether to appeal, you will probably want to think about the school’s published policy for admitting pupils, your reasons for wanting your child to attend the school, your child’s view of what school he/she should attend and how strong a case you have. You may also want to visit the school where you have been offered a place.

Appeals are passed to the clerk to the appeals panel who then provides further advice for appellants on the procedures followed.

If your appeal is successful there will be no assistance with transport unless you qualify under the Local Authority’s transport policy.

If your appeal is declined you are not able to appeal again for the same school for the same academic year unless there has been a material change of circumstances (e.g. change of residence) or the circumstances of the school have changed.

NB: For pupils who have an Education, Health and Care Plan any appeal with regard to the school named in the Education. Health and Care Plan would be to the Special Educational Needs and Disability Tribunal rather than the independent appeals panel.

Appealing against admissions decisions for Key Stage One (Infant) children

The Schools Standards and Framework Act 1998 require that from September 2001 no five, six or seven year old in an infant class at a maintained school will be in a class of more than 30 pupils. If your preference for a primary school is refused because the class has reached its statutory limit, you will be given the right of appeal but this category of appeal can only be upheld if an Appeal Panel is satisfied:-

a) that the decision was not one which a reasonable admission authority would make in the circumstances of the case; or
b) that the child would have been offered a place if the admission arrangements had been properly implemented.

More detailed information about this will be provided if it is not possible for your preference of school to be met.
GENERAL SCHOOL INFORMATION

Early education funding
The Local Authority is able to fund Early Education Funding (EEF) places for three and four year olds not attending a school reception class and some two year olds. The places are available for 15 hours per week over 38 weeks and parents can choose to have this funded place in a school nursery class, at a nursery school, a preschool, a private nursery, or a childminder who are registered with the Local Authority, subject to availability.

In addition working parents of three and four year olds not in reception class and who meet set criteria can access up to 15 extended hours per week giving a total of up to 30 hours of funded child care per week over 38 weeks.

To apply
- Check that the provider is registered to offer EEF places.
- If they are registered, you will be asked to sign a form agreeing to accept a place for your child, complete this form promptly and return it to the provider. Late claims may result in non-payment of the funding.
- The provider will be paid direct by the Local Authority for this place.

For further information and a full list of registered providers please contact the Families Information Service on 01925 443131 or fis@warrington.gov.uk

Children with special educational needs
Most children with special educational needs will attend an appropriate mainstream school where the Governing Body/Academy Trust will be responsible for ensuring their needs are met. A small number of children who have special educational needs which cannot be met from within the resources normally available to similar aged children will be assessed by the Local Authority in accordance with the procedure laid down in the Children and Families Act 2014 and in accordance with the Code of Practice 2014. Assessments are carried out after consultation with parents or guardians who are given full details of the results.

For children where an Education, Health and Care needs assessment has been carried out and an Education, Health and Care Plan is issued, dependent on the outcome of the assessment, these children can have their needs provided for in either mainstream schools, designated provisions attached to mainstream schools, or special schools. Any appeal with regard to the school named in the Education, Health and Care Plan will be to the special educational needs and disability tribunal (SEND).

A leaflet entitled ‘Special Needs Provision in Warrington’ is available from the SENDIASS (Special Educational Needs, Disability Information, Advice and Support Service) on 01925 442978.

Clothing and uniform
Headteachers/Principals, in consultation with school Governors, decide whether or not there should be
a school uniform. Details of uniform, where appropriate, are given in each school’s prospectus, which
can be obtained from the school.

The Local Authority does not help parents with the cost of school uniform or physical education kit. All
pupils are expected to conform to a reasonable standard of clothing and personal appearance. Parents
are asked to try to ensure that pupils attend school suitably dressed.

Transport to and from school
The Local Authority is required by law to provide or pay for free transport by the most economic means
for pupils who have to travel more than a certain distance to their nearest suitable school.

For pupils at primary schools this distance is over two miles, measured by the shortest available walking
route.
If you state a preference for a school which is not the nearest appropriate school at which a place is available, your child will not normally be granted travel assistance.

Where preferences are based on a parent’s religion or belief the transport policy is applied to the church schools where areas generally coincide with ecclesiastical parishes.

Assistance may take the form of:
- Travel pass for use on public transport
- Travel pass for use on private contract services
- Cash grant
- Mileage allowance payable to parents
- Cycle maintenance grant

**Sustainable school travel**

As part of the initiative to make access to education sites easier and to reduce traffic and parking congestion around schools, the Local Authority is working with schools on the School Travel Plan programme. All schools are required to have effective travel plans in place to ensure that students wishing to walk or cycle are able to do so safely.

If your chosen school is implementing its plan it will be supporting walking and cycling to school by promoting it as a healthy option and highlighting safer routes to the school. The Local Authority’s School Travel Adviser can help plan routes and give advice on road awareness and safety as well as park & stride schemes and walking buses. Details are available through the school or by contacting the Transport Planning Team on 01925 443414.

**The school curriculum**

All state funded schools must offer a curriculum which covers the Foundation Stage and the National Curriculum Key Stage 1 and Key Stage 2. They must also provide the associated Foundation Stage and Key Stage 1 and 2 assessment arrangements for pupils.

The curriculum includes at Foundation Stage six areas of learning and at Key Stage 1 and 2 the core subjects and religious education. If you need detailed information about the curriculum please ask your child’s school.

Governing Bodies of primary schools must consider whether sex education should form part of their schools curriculum beyond what is already contained in the science curriculum. Teachers are aware of the need to treat sex education sensitively and in appropriate groupings of pupils. The school should keep a written record of their decision and consult parents about their sex education programme.

Parents have the right to withdraw their children from all or any part of sex education except where this is provided as part of the National Curriculum.

All primary schools must also provide religious education (RE) and collective worship but parents do have the right to withdraw their children from RE and/or collective worship if they so wish. In Faith schools religious education is given in accordance with the schools trust deed.
There is a procedure for considering complaints from parents about the curriculum, religious education, collective worship and related matters. Please refer, in the first instance, any complaint to the school and then it’s Governing Body in line with the schools complaints policy.

**Discipline and exclusions**
Schools are aware that they share with parent’s responsibility for the behaviour of children in their care. All school Governing Bodies maintain a written statement of general principles for their school’s behaviour and discipline policy. Details are available from each school.

Warrington schools promote positive behaviour and offer a nurturing environment in which children and young people are encouraged to reach their potential, within a safe environment where clear boundaries exist.

Parents requiring further information should seek advice from their child’s school, the Inclusion Services Team (Tel No 01925 442917) or SENDIASS (Special Educational Needs, Disability Information, Advice and Support Service) (Tel No 01925 442978).

**Charges for school activities and remission of charges**
The law prohibits charges for most activities that take place in school time. Local Authorities and school Governing Bodies wishing to charge for any activities where this is permitted must have a policy on charging and on remission, and must draw up and maintain a written statement of policy which must be available to parents on request.

**Parents access to pupils records**
Parents may inspect all parts of their child’s school record. If you wish to look at your child’s record you should apply direct to the school.

**Parent governors**
All school Governing Bodies include parent Governors who are normally elected by parents of registered pupils at the school. Further information can be obtained from the school.

**Personal property**
The Local Authority does not accept responsibility for loss or damage to personal property whilst on or left on the school premises.
Please note these are general holiday dates for guidance and information only. Dates should always be confirmed with individual schools before family holidays are booked. Parents are reminded that holidays should not be taken in term time.
