

**Decision Notice  
Licensing Sub-Committee  
Friday 11 December 2015  
Temporary Event Notice**

To consider a temporary event notice served by **Mr Stuart John Quinnett** in respect of premises known as **53 Degrees North/Rain, 83-85 Bridge Street, Warrington.**

Members of the Licensing Sub-Committee have considered carefully all of the written and verbal representations submitted by and on behalf of the applicant and Cheshire Constabulary.

Having regard to the Objection Notice as submitted by Cheshire Constabulary, the Licensing Sub-Committee panel have resolved:

Not to issue a counter notice under section 105 (2) of the Act as members of the panel did not consider it appropriate to do so for the promotion of the licensing objective of the prevention of crime and disorder.

Members did take into account that there had been a few incidents at this venue recently but accepted that these had been dealt with appropriately by the door staff. Members believed this to be well-run premises and accepted that this is a well-run event.

Members were mindful of the fact that this premises had applied for a Temporary Event Notice for the previous week and noted that no information had been placed before them today that highlighted that the event had not run smoothly or that there had been any incidents during the event.

Members determined under Section 106 of the Act to impose all of the conditions which ordinarily apply to the premises license, which are not inconsistent with the application.

A 21 day right of appeal was explained to all parties.
