

**Decision Notice
Licensing Sub-Committee
Thursday 28th January 2016
Temporary Event Notice**

To consider a temporary event notice served by **Mr David Whittle** in respect of premises known as **Voodoo Lounge, 10 Friars Gate, Warrington**.

The Panel considered the Temporary Event Notice for **Voodoo Lounge, 10 Friars Gate, Warrington**, the written objection from Cheshire Police and the representations made at the hearing and took them into consideration.

The Panel also considered the Licensing Act 2003, regulations made thereunder, the guidance issued by the Secretary of State, Warrington Borough Council's Statement of Licensing Policy and the Licensing Objectives, in particular the Prevention of Crime and Disorder.

The Panel was of the view that the Temporary Event would not undermine the Licensing Objectives, especially if the conditions of the Premises License were applied, as offered by the Premises.

The Panel determined that there was insufficient evidence from the objector relating to the hours of the Temporary Event and limited incidents directly relating to the premises in question.

The Panel, therefore, declined to issue a Counter Notice and the Temporary Event may proceed subject to the conditions of the Premises License.

Under Section 106A of the Act members determined to impose all of the conditions which ordinarily apply to the premises licence which are not inconsistent with the application.

21 day right of appeal notified to all parties.
