PREMISES OPERATING UNDER CLUB RULES

Some premises run as a club (i.e they have a Committee, have a membership of more than 25 members such as Cinnamon Brow Farm etc) but may hold a Premise Licence NOT a Club Premises Certificate. Any premises running as a club may apply for this type of permit regardless if they are licensed under the Licensing Act 2003. These premises are entitled to apply for either a Club Gaming or a Club Machine Permit but will pay the full price for a new application (£200).

GAMBLING PREMISE LICENCE APPLICATIONS

Under the Act, a licensing authority must revoke a premises licence if a licensee fails to pay the annual fee, except where the authority thinks the failure to pay is due to an administrative error. Annual fees are due within the first 30 days beginning the day after the licence was first issued/granted when a new licence has been applied for. Then the annual fee is due on the anniversary that a licence was first issued/granted.
