

STATUTORY LICENSING SUB-COMMITTEE

23rd August 2012

To consider a temporary event notice served by Mr Edward Brister in respect of Mojo Bar & Grill, 15 Cairo Street, Warrington

The Licensing Sub-Committee has considered carefully the written and verbal representations submitted by and on behalf of the applicant and Cheshire Constabulary. The Committee also had regard to the fact that there have been no representations from Environmental Health.

The Committee is aware of its obligations under the Licensing Act 2003 and in particular the guidance issued under Section 182 of the Act together with the Council's statement of licensing policy.

In considering all of the above factors the Committee, balancing the interests of the applicant and Cheshire Constabulary, have resolved to;

Grant the temporary event notice and allow it to proceed as requested.

Dated: 23 August 2012

Signed:

Peter Taylor
Assistant Director Environment & Regeneration
