

Dear Sir/Madam.

I wish to make the following objections.

Moore Village is one of the last 'traditional' style places left in Warrington, surrounded by greenbelt lands and will ~~become~~ become another characterless overcrowded, overhoused 'town'.

Ruined by greed 'to make a few quid!' The Nature Reserve, towpath, open spaces, fresh air, no traffic, views, peace and quiet, wild life, historic buildings, no pollution will disappear forever.

Greenbelt is called that because it's a divide between places. Warrington is overdeveloped as it is with no structures to accommodate its greed for housing and people. Chapelford, Callands, Appleton, Grappenhall, Westbrook, Latchford Locks, Warrington Town Centre flats, it's just gone mad the last 30 years or so. There are more I'm sure, Birchwood etc!!!

The Town and surrounding areas cannot cope and so so called 'New roads' will just 'move the goalposts!!'

There are brown belt areas around to 'accommodate' a certain amount of housing that will keep 'overcrowding' in Warrington down, but I do feel enough is enough. Please don't destroy 'Our' Greenbelt.

Yours sincerely,
