Dear Sirs

RE - LOCAL PLANS REVIEW

I have lived in Crabbentall

This Banking is lined with 100's of beautiful trees and shrubs and also a habitat full of wild life (Birds, owls, foxes, Badgers, Kestrels, Frogs and Butterflies.

If your proposed plans to use this Banking as a roadway is Authorized all this will be destroyed forever which in my view is a terrible mistake.

Most Important to residents along the route of this Banking and surrounding Areas is the DEVALUATION of their property

If anyone wanted to move and sell their property no one is going to buy with all these plans waiting to be put into place.

We are all in BLIGHT!

Question

Where is all the cover going to come from if all these Roads Etc are built because as a small town Warrington is already on its knees in all AREAS due to Cuts made by Central Government

POLICE FORCES (STRETCHED TO THE LIMIT)

AMBULANCES (QUEUING AT HOSPITALS WAITING TO DROP PATIENTS OFF)

DOCTORS (APPOINTMENT TIMES GETTING LONGER & LONGER)

HOSPITALS (STRETCHED TO THE LIMIT)

I have mentioned a few of my main concerns, because if the plans get the go ahead the IDENTITY of CRAPANHALL, THIRWALL, LYMM, and HATCHFORD WILL BE DESTROYED FOREVER

( NO MORE HOUSES  
NO MORE ROADS  
LEAVE OUR COUNTRY SIDE ALONE )
