[REDACTED]

[REDACTED] has tried to submit his LDP comments twice to LDF@warrington.gov.uk and has not received confirmation of receipt.

The whole point of sending by email was so we knew you had received the comments - as your online form does not provide a record that comments have been submitted, and over something as important as this you must be able to understand why people want some sort of record of submitting an objection.

I believe he is not the only person who has had problems emailing in this way and it could make a sham of the consultation.

Please can you confirm if you received an email from [REDACTED] on either September 25th or 28th. He does not have access to the internet today - hence I am chasing this up

Otherwise we will be forced to lodge a formal complaint requesting an investigation as I fear he is not the only one who can not get through to the LDF email.

Regards
