

To Planning, Policy
and Programmes,

PD02124

Dear Sir

We are writing to express our concern and dismay, at the proposed 'Development Plan' for Warrington.

This proposes a new road, which would run adjacent to our home. The resulting traffic-pollution, and congestion would be injurious to our health and well-being.

Please be aware that we have read the plans and as residents in the area for over years,

we feel they would
destroy the heart of
our villages.

Yours faithfully.
