

WBC PLANNING POLICY
AND PROGRAMMES

Sir / Madam,

My family and I have lived in Thehall for over [REDACTED] years. We have only recently heard of The Council's plans to transform the area from a peaceful, pleasant area into a glorified building-site, with major housing and transport developments; plans which will have a major impact on the lives of thousands of residents, the majority of whom are opposed to the whole concept of 'garden-city' status.

I urge you and your colleagues to have a major rethink and leave our area as it is.

Yours Sincerely,

[REDACTED]
