

substantial. you may say there is
alternative routes, but if the destination
is Runcom or Wisnes the shortest way
will be straight through the VILLAGE.

Is there to be no Green Belt,
no Cauntley Rids and no Moore Nature
Reserve for future generations to enjoy

A very worried resident

To Whom it may concern

I wish to put on record my objections
to the development of around 2000 new
houses to be built between Moore Village
and the A56. Please note I have said
VILLAGE.

We in Moore no longer have a green
belt between Runcom and Moore and if this
plan goes ahead we will lose the green
belt between Moore and Waddington. It
will become one sprawling built up mass
with Moore Village lost in the middle

With 2000 new houses there will be
the problem of an increase in traffic
through the village. With a least
1 or 2 cars per house this will be
