Subject: Comment on Planning Application Site No's R18/105, R18/012, R18/102, R18/003, R18/108

Application Number Site No's R18/105, R18/012, R18/102, R18/003, R18/108

Name: [REDACTED]

Address: [REDACTED]

UPRN: [REDACTED]

Telephone: [REDACTED]

Email: [REDACTED]

Comments: I would like to strongly object to locations R18/105, R18/012, R18/102, R18/003, R18/108, being proposed sites for housing development for the following reasons:

Would increase housing density - infrastructure unable to support increased no. of residents (schools/nurserys/doctors already over capacity)

Removed green fields from the area - which is currently drainage land (next to the canal).

Local roads would be unable to support increased traffic due to both building work and increased no. of residents.

Increased traffic (no bus routes) would effect local residents - access to houses/children walking to school

Access to R18/102, 003 and 105 is over restricted weight limit bridges - therefore alternative routes needed.

Form Reference Number: [REDACTED]
