Directorate Ref No (Non Cabinet decisions only) If applicable	N/A
Decision detail	<p>Following a competitive tendering process a single supplier was recommended for the Provision of Forcepoint Supply and Support Services. The non-exclusive arrangement does not commit the Council to a minimum level of service or any purchases. It shall only purchase products and services on an as required basis, as the Council will from time to time require.</p> <p>It was therefore agreed that Nvion Limited is appointed as the supplier for the supply of Forcepoint products and services to the Council.</p>
Reason for Decision	<p>The decision is based on a fully auditable open tendering exercise where tenders were evaluated following pre-published weighted cost and quality criteria.</p> <p>This offers the Council a single supplier for the supply of products and services supporting the Council's IT Forcepoint firewall estate over a two year period with the option of a one year extension.</p>
