Pay Policy Statement 2020 / 21

1.0 Introduction

- 1.1 Under section 112 of the Local Government Act 1972, the Council has the “power to appoint officers on such reasonable terms and conditions as authority thinks fit”. Section 38 of the Localism Act 2011 required the Council to prepare a Pay Policy Statement (the ‘statement’) for the financial year 2012/13 and each subsequent financial year. This statement relates to the financial year 2020/21.

2.0 Purpose

- 2.1 The purpose of the statement is to provide transparency with regard to the Council’s approach to setting the pay of its employees (excluding teaching staff working in local authority schools) by identifying the;
- methods by which salaries of all employees are determined;
 - detail and level of remuneration of its most senior staff i.e. ‘chief officers’, as defined by the relevant legislation;
- 2.2 The specific requirements from section 38 are as follows:
- 1) A relevant authority must prepare a pay policy statement for the financial year 2012/2013 and each subsequent financial year.
 - 2) A pay policy statement for a financial year must set out the authority’s policies for the financial year relating to-
 - a) The remuneration of its chief officers,
 - b) The remuneration of its lowest paid employees, and
 - c) The relationship between –
 - i) The remuneration of its chief officers, and
 - ii) The remuneration of its employees who are not chief officers.
 - 3) The statement must state-
 - a) The definition of “lowest-paid employees” adopted by the authority for the purposes of the statement, and
 - b) The authority’s reasons for adopting that definition.
 - 4) The statement must include the authority’s policies relating to-
 - a) the level and elements of remuneration for each chief officer,
 - b) remuneration of chief officers on recruitment,
 - c) increases and additions to remuneration for each chief officer,
 - d) the use of performance-related pay for chief officers,
 - e) the use of bonuses for chief officers,
 - f) the approach to the payment of chief officers on their ceasing to hold office under or to be employed by the authority, and

g) the publication of and access to information relating to remuneration of chief officers.

5) A pay policy statement for a financial year may also set out the authority's policies for the financial year relating to the other terms and conditions applying to the authority's chief officers.

2.3 Once approved by the full Council, this policy statement will come into immediate effect and will be subject to review on a minimum of an annual basis, the policy for the next financial year being approved by 31st March each year.

3.0 Background

3.1 In determining the pay and remuneration of all of its employees, the Council will comply with all relevant employment legislation. This includes legislation such as, but not exclusively, the:

- Equality Act 2010;
- Part Time Employment (Prevention of Less Favorable Treatment) Regulations 2000;
- Transfer of Undertakings (Protection of Employment) Regulations.

3.2 The Council endeavors to ensure that there is no discrimination within its pay structures and that all pay differentials can be objectively justified through the use of job evaluation mechanisms designed to directly establish the relative levels of posts in grades according to the requirements, demands and responsibilities of the role.

4.0 Pay Structure

4.1 The Council has a locally agreed pay and grading structure which determines the salaries of its non-teaching workforce and covers all NJC employees up to grade 12 (see Appendix A). This was effective from 1st April 2019. The national pay award for 2020 had not been agreed the time of publication of this document.

4.2 The Council adopts the national pay bargaining arrangements in respect of the revision of the local pay and grading structure, for example, through any agreed annual pay increases negotiated with joint trade unions. The application of any annual pay increases to staff protected through TUPE legislation is considered on a case by case basis, with any decision being taken by the Head of Paid Service.

4.3 The Council's Pay and Grading structure from Grade 13 up to Grade A is subject to the LGE Senior Job Evaluation scheme, but this scheme has not been agreed by the recognised Trade Unions.

4.4 All other pay related allowances are the subject of either nationally or locally negotiated rates, having been determined in accordance with the collective bargaining machinery.

- 4.5 All new appointments will be in accordance with the Constitution and the Council's Recruitment and Selection Policy and Recruitment and Selection Code of Practice.
- 4.6 From time to time, it may be necessary to take account of the external pay levels in the labour market in order to attract and retain employees with particular experience, skills and capacity. Where necessary, the Council will ensure the requirement for such is objectively justified by reference to clear and transparent evidence of relevant market comparators, using data sources available from within the local government sector and outside, as appropriate. Any temporary supplement to the salary scale for the grade is approved in accordance with the provisions of the Council's Market Supplement Policy.
- 4.7 The Council adopted the Living Wage Foundation rate for grade 1 employees with effect from 1st April 2016 and it makes a commitment to continue to do so with effect from 1st April 2020.

- 13.1 It is the Council's policy that immediate re-employment of former Chief Officers following redundancy or early retirement either as direct employees, via an agency, or on a consultancy basis is not acceptable unless there are extenuating and exceptional circumstances. If there are any exceptional circumstances that might appear to justify such arrangements, these must be agreed with the appropriate Director, Deputy Director, Corporate Services and the Chief Executive.

- 13.2 Prior to any proposal for re-engagement of a Chief Officer, the following should be key considerations:

- whether there are any extenuating circumstances that would make such an appointment justifiable and assurance that all other strategies have been explored
- any re-engagement should be unconnected with original redundancy, except where alternative employment is found and pension and redundancy payments are returned in accordance with the relevant legislation;
- any re-engagement should be on merit through an fair, open and transparent process in line with the organisation's Recruitment and Selection Policy and subject to the normal approval processes for external appointments on any contractual basis including agency or consultancy;
- take into account the appropriate and acceptable use of public money, the exigencies of the Council and any potential political or reputational issues that may arise as a result of re-employment of a Chief Officer.

- 13.3 Where a former Chief Officer leaves the Council's employment as a result of redundancy they cannot be eligible for re-engagement within the four week period immediately following the effective date of redundancy as continuity of service will not be broken and the employee would be required to return any redundancy pay received.

- 13.4 Where a former Chief Officer leaves the Council's employment on the basis of Early Retirement for the reason of efficiency and then enters into further employment within Local Government, then, subject to confirmation by the Chief Executive and Director of the employing directorate and the Deputy Director, Corporate Services, they shall

become liable for the remaining 'Capitalised Cost' payments which have been incurred by the Council.
