I wish to lodge my objection for the proposed building of 495 houses on an area of natural beauty surrounding Red lane bridge & Hough lane bridge , it would be a Blot on the Landscape and there certainly isn't the road infrastructure to cope with TWO hump backed bridges which are already over used as Rat Runs to avoid Stockton Heath and Walton Drag . This must not go ahead under any circumstances and am disgusted at the Councils Back door policy of hoping nobody will spot these various planning applications to build these excessive number of houses in the surrounding areas , regards [REDACTED]
