Mr Sullivan,  
Yes, it is clear. So no additional surveys or other factual documents?

Mr Griffiths, Martha,

The Rule 6 party would prefer to submit their Core Documents list (if any) after the Council have responded. At this stage we do not consider it likely that we would make substantive additions which would not also be provided by the Council.

I trust that this makes sense.

Jim Sullivan

Martha, Mr Sullivan,

Please find attached an updated Core Documents list for the upcoming inquiry.

1. This uses the 2018 list as a base, with updated/ additional and new documents to be added.
2. I have updated it for the Appellants.

Please update it from your perspective, and supply to me a copy of the document/ extract etc you wish included.

We will then compile the final version and circulate electronically.

We will supply a full hard copy set to the Inspector in time for the inquiry.

Could I have your response within 4 weeks please?

Many thanks,

Regards  
Colin
