Sir / Madam

Your plan is grotesque and should not be pursued.

You have already shown yourself to be incapable of doing any planning – the soulless wasteland that is Warrington town centre shows that. I have never seen a more vapid congested polluted litter strewn mess that Winwick Road and you should be ashamed of it.

Your plan will destroy green fields, increase traffic, increase pollution and make a few people rich at the expense of the many. As usual, you have only considered your short term gain and have not begun to think about the long term pain.

[REDACTED] We don't wan your houses and we don't want your plan. We don't want you.

David Morris
