Dear Sir or Madam,

I wish to outline my objection to the plan to change South Warrington beyond recognition - the deadline for such objections being 5pm today for LP-PSV Issues -

Unjustified economic growth based on old data and ambitious assumptions • Overwhelming house build schemes - 18,900 houses across Warrington by 2037

Overwhelming commercial premises near Appleton Thorn/ Grappenhall, - situated on approx. 365 hectares of pristine land, some of it precious Green Belt land; premises would be 2nd biggest in the country behind Trafford Park

• Urban sprawl, 7400 houses in S Warrington alone, mostly around Appleton Thorn; destruction of village character and landscape

• Unrelenting additional traffic, 2,000 HGVs per hour from Langtree Six/56 commercial warehousing site with 42m high 'sheds' • Pollution- air quality/ noise – Warrington already has worst record in the country for dangerous small 2.5-micron particulate emissions. There's a proven link btw exposure to small particulates and premature death (respiratory, heart)

new build premises

Development Plan (NDP)

LTP4

Plan

bridges) will be grossly underfunded and therefore whole plan is undeliverable

LP-PSV and LTP4 are UNSOUND AND UNDELIVERABLE
