I wish to object to the proposed local plan for growth around Appleton Thorn, and Appleton. This plan is unsound in many ways. This is unjustified growth for this area and is an overwhelming number of houses to be built with 7400 houses to be built in South Warrington alone and mostly around Appleton Thorn. This will result in unrelenting movement of traffic from Langtree Six/56 commercial warehousing site pollution and air quality will be not viable, for urban dwelling. The violation of the green belt - there are no special circumstances to release GB for new build premises. Some infrastructure projects will be extremely underfunded, roads and bridges etc and therefore the whole plan is undeliverable.

Both the LP-PSV and LTP4 are unsound and undeliverable.
