

Dear Planners.

June 10th 2019.

I wish to add my name to
oppose your plans for development
that will affect South Warrington.
I agree with ALL the opposition.

But my greatest concern is
THE LOSS OF GREENBELT.

Destroy green belt - you will -
destroy wild life.

Destroy wild life - you will
destroy mankind! *

You will create your own hell
that can't be reversed.

Its a 'NO BRAINER'.
BAD BAD PLAN.

Yours faithfully
