Hi,

I would like to comment on the local plan as a local resident.

I believe the green belt should not be touched. Green space is vital for good mental health and damaging it in this area will mean huge swaths of people are no longer benefiting from it.

Any green belt release should be spread equally across Warrington so as to mitigate impact on local residents. There are many brown fields sites that should be used first. The north of Warrington is industrialised and would be a better sites.

Traffic in and out of Manchester from this direction is already at breaking point. The plan does not contain adequate infrastructure changes.

I also believe it is unlawful as I have not been adequately consulted.

Regards,

Penelope Rawson
