None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

| | Yes | No |
|---------------------------------------|-----|----|
| Legally Compliant | X | |
| Sound | | X |
| Compliant with the Duty to Co-operate | X | |

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I don't think the infrastructure has been assessed to meet the needs of the proposals and that removing green built will have a detrimental effect on the health of the population. There will be more pollution and more asthma etc. In order for this to be a sound proposal if we are losing trees we need to ensure pollution doesn't increase. There needs to be a tram like facility.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

As above.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
