Your claims that WBC has set out on this path because if they hadn't the the Gov would have enforced it upon us. This is incorrect as they have stated that local authorities should consult with neighbouring areas to establish the requirements, where is WBC evidence of this. There ahad been a letter sent out from the housing minister which negates what WBC have claimed.
You have over estimated the number of houses and have ignored residents wishes, this plan is about one thing and one thing only council tax revenue.
WBC ignore the wishes of the people and steamrole forward.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
