WARRINGTON BOROUGH COUNCIL

NEW TOWN HOUSE

BUTTERMARKET STREET

WARRINGTON WA1 2NH

Dear Sirs,

Warrington Plan 2019 – 2017- 2037

As a resident in the Warrington South district, I am concerned with this plan, using Green Belt land.

For example in Lymm, there are no plan to improve local roads. Traffic is heavy as it is. The addition of 400+ houses would make the situation worse. The road through the village is narrow, cars have to stop to let the buses and lorries pass!!

Can local schools and Health services cope with the demands of the existing population ?

Air Quality – Air pollution is a recognized health risk

Loss of wild life – already slowly disappearing

The Council must not ignore the consequences of using Green Belt land.
