Affordable housing. In my opinion as an [REDACTED] year old who has yet to get onto the property ladder. Most young people are more likely to want affordable homes in urban areas. The benefits are obvious. Work, leisure and social activities are within walking distance. Access to public transport is 100% better in Warrington than it is in an isolated village such as Burtonwood. We have no public transport system to speak of. The bus service is being halved, we have no railway station and will never have one. Employment opportunities in the village are very low, we do not have a leisure center and 2 of our local pubs were demolished 5 years ago. It make sense to me to look for an affordable property where I can work and socialize. Leaving our Green Belt alone to continue to be the lungs of Warrington. We need more trees not more housing developments on Green Belt land. All of you in public office need to listen to the generation who will inherit and have to live with the Draft Local Plan 2019. We need to look after our local environment and our planet now before it is too late. Plant woodland, do not create urban jungles in rural villages.

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

You can not justify building on Green Belt land when our planet is in crisis.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate. Please be as precise as possible.

I assume this plan is legal.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

10.5.1 I am strongly opposed to land being removed from the Green Belt and allocated for residential development. 10.5.3 I find the statement that this field in Burtonwood only making a moderate contribution to the Green Belt offensive and utterly wrong. All Green Belt land contributes enormously to our environment. So called development of such land will cause huge environmental impact for future generations, my generation. Our village is called Burtonwood for a reason, it was woodland in the past. If any redevelopment were to take place then it should be the planting of more trees and not the planting of concrete covered over with tarmac. We need woodland to help combat climate change. NOT concrete jungles in rural village communities.

This development is not justified because it will devastate Green Belt land.

6, 7,8,9. Community facilities, open space and recreation. We have lots of open space which is brilliant. What we do not have are community facilities geared towards the 11 to 18 age group currently living in our village. No leisure center with a gym, pool, tennis, badminton, squash courts. No basketball or netball courts, no skate park. All these facilities are south of the M62 motorway. Hard to get to if you can not drive and public transport is being reduced. My parents would not let me cycle out of the village because the roads are too dangerous. A planned footpath/cycleway up to Omega has still not been delivered more than 5 years after first being approved.

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Not a sound decision because a little playground geared towards toddlers is not a leisure facility for the teenage population of Burtonwood.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate. Please be as precise as possible.

Council will make sure all the document is legal.
