LOCAL PLAN

I'd like to object to the plans to build at Peel Hall.

The roads simply can't cope as it is. Building 1,200 homes there would be disastrous.

 which would only get worse if pollution increases in North Warrington.

People are frightened to let their kids play out as it is, because of the traffic. Adding a few thousand more cars will only make things worse.

Please consider Peel Hall again, and take it out of the local plan.

Yours faithfully,

Elizabeth Bennett
