Policy OS1 Burtonwood

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

* Burtonwood and Collins Green doesn't have the infrastructure to support this development. Not enough medical facilities, schools and a lack of road infrastructure to cope with more demand.

*There is no evidence to indicate that this amount of housing is required, local houses are not being sold.

*The government have declared the UK is in environmental crisis and there is a need to preserve the land and plant more trees and save the green belt. Why can we not use brown field land instead.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Once established green belt boundaries should only be altered where exceptional circumstances are fully evidenced and justified before any changes to green Belt land can be made.

This claim needs to be investigated in some depth across Burtonwood and Collins Green also across Warrington borough as a whole.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
