To whom it may concern

My name is Richard Barnes and I live [REDACTED], after receiving a flyer threw my

Letter box regarding the Councils local development plans I am hereby informing you by email as requested

In the flyer that I disagree with your reasons for wishing to use local green belt area's, I don't believe your reasons are sound, those area's are protected for a reason, though Im sure you wont be happy until we are all living in a plastic wasteland sewer. So you have my vote against, grow something between your ears instead of worshipping money.
