	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Building on the green belt will destroy the area for future generation and bring more traffic to areas that cannot cope with the volume of traffic currently.  
The environmental impact will be devastating - more pollution, dangerous roads carrying the extra traffic, decimation of wildlife... from a human perspective the already overstretched services in the area such as schools and doctors will collapse under the strain of the extra people that will move into the area for work etc.  
We need to look at utilising more brown field for building and invest in public transport, which is non existent in many areas in south Warrington and take some traffic off the roads.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
