I am writing to object to the proposed local plan. I do not object to houses being built, but not on the proposed scale. The beautiful green area around here will be ruined and this, for me, would be enough to make me move out of the area which I have enjoyed walking in since I was a youngster.

However, my main objection is to the traffic this would create. The traffic already, particularly through Stockton Heath towards Warrington, and vice versa, is already dior. I can't even begin to imagine what this would be like! The plan, in my opinion, has definitely either not been thought through sufficiently , or they actually do not care.
