None of the above

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I beg you to reconsider building new houses in Winwick. We are the housing estate next to where you propose developing and the traffic especially at rush hour is absolutely horrendous as it is. I grew up in Winwick and recently moved back here as I love the green, beautiful village we have. It is senseless to destroy it. The local primary school is massively oversubscribed every year so where would the additional spaces be found if more houses were built. You are destroying a beautiful village. The extra lorry traffic from Parkside development will be awful enough without more being added to it. Myself and family strongly oppose the plan to build next to our lovely peaceful estate. Please please reconsider and build elsewhere where the area can cope - Winwick can't.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Do not build in Winwick. Plain and simple. It cannot cope with the extra traffic, school places needed etc.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
