The plan appears to override the wishes of the population of south Warrington as their representatives do not hold power and hence the plan feels like it is being imposed against their will. I understand the need for affordable housing but feel the environmental effects of the plan are either ignored or not understood. The current infrastructure is inadequate so to add to the burden on schools, transport system and the health service is wrong. to plan to build on greenfield sites when brownfield sites are and will become available is a betrayal of future generations.

Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X

It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
