The current plan is not sound due to lack of infrastructure and support services.

>

> Consider these valid points with the current situation so I cannot begin to comprehend what impact there would be with these housing proposals if implemented.

>

> 1 Frequently it takes at least half an hour to commute from Stockton Heath to my home.

>

> 2 [REDACTED] waited 3 hours for an ambulance to transfer from The Spire at Stratton to Warrington hospital.

>

> 3 My family frequently waits approx 3 weeks for a GP appointment due to lack of resources.

>

> 4 Sixth form facility removed from Bridgewater High

>

> 5 Inadequate train links to assist with road use

>

> There needs to be significant reviews of all the above points were services are already stretched prior to adding 1,000's more residents in to this area.
