Introduction

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I have no qualifications on the legality but the soundness of the draft is in my opinion flawed in numerous aspects.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The soundness is questionable in terms of guaranteed delivery of the plan as a whole.
There appears to be a total lack of clarity with regards to updated infrastructure servicing such a massive new development. The impact on an already stretched road system will be immense. Living & commuting in this area is difficult now & will only get worse if this plan is allowed to go ahead.
Green belt land MUST be protected at ALL costs & the plan ignores that requirement.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for Introduction. What would you like to do now? Please select one option.
