Draft Local Plan (as a whole)

None of the above

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The house numbers are too high. If there are so many houses needed, why aren't the ones in this area currently on sale, sold straight away.
20years is too far ahead to plan. It should be reviewed after 10 years.
There are not enough highways and canal crossings, and will result in more congestion and pollution. There are not enough health centres, the ones already in existence can't cope with the current patients.
The Green belt should not be sacrificed. It is the lungs and clean air of Warrington.
Warrington will just become an urban mass and an undesirable place to live.
The local plan is undeliverable and unjustified. Please listen to your people.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

There needs to be frequent reviews on housing numbers.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
