	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

While I understand the need for a local plan that includes the delivery of additional housing and associated development, I'm concerned that this proposal does not meet the exceptional requirements for release of greenbelt and is not in the long term best interests of residents. This proposal, while lengthy, does not seem to give weight to the considerable concerns of the people who live and work in Warrington. I do not dispute the need for change but feel the plan has been suggested on the merits of ease and economy rather than creatively imagining a solution that could bring long term benefit.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
