Subject: SOUTH WARRINGTON DEVELOPMENT
Date: 11 June 2019 14:51:43

I am writing this email to you as I am concerned about the local plan for Warrington South.

I do not think that the plan is fit for purpose on the grounds that the proposed sites in the South especially Lymm do not have the infrastructure required to cater for the proposed developments.

The roads are a particular concern as they were originally built to service the local villages and cannot take more traffic without there being problems, and the loss of the villages themselves which would be an absolute disaster, surely we are trying to conserve our villages and countryside not losing them for economic gain.

It is very shortsighted to believe that we need the amount of houses proposed and certainly not the type of houses, Where are the affordable houses for new families not wealthy ones, and where is the infrastructure to cater for them, that should be given more consideration before the building progresses, not the other way around.

I don't believe that Warrington Council is being forward thinking or creative enough in their efforts to add to the saving of our Planet, and local surroundings,

Warrington Town centre needs smartening up to make it a more pleasing and interesting town., at present it has a tatty feel and if you are proposing more desirable homes then I am sure the people owning them would not wish to shop in Warrington .

More focus is needed on the basics the traffic flow into Warrington from the South is a nightmare, which proves that the council gave it little thought in the first place, don't let this happen again because of greed and lack of forethought.

We don't need more homes in the close proximity to Lymm, Grappenhall, Stockton Heath , Appleton, or Stretton, let's keep our villages, and be imaginative in creating new ones with character and the feeling of wellbeing to the people who use them not Newtowns that are just shopping outlets.

From frequently driving through the surrounding area in the South of Warrington on the way to Liverpool, it would seem to me that an area that could take new development and a new Village with a heart, is around the Science Park at Daresbury, not adding onto the current Villages and ruining them.

COME ON WARRINGTON BE CREATIVE, GET YOUR PRIORITIES RIGHT FIRST TIME .
