4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I do not believe the plan is compliant or sound due to the following:

Have not taken into account the feedback from 4500 responses to the draft plan

Building more houses than the Government require

Not using potential brown field sites, eg Fiddlers Ferry

Adding Peel Hall that has been proven to be unsuitable due to pollution increases and lack of infrastructure

Building on Green Field against local wishes

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Show that the feedback from 4500 responses to the draft plan has been listened to and actioned

Building more houses than the Government require is not required, therefore reduce numbers

using potential brown field sites, eg Fiddlers Ferry

Adding Peel Hall that has been proven to be unsuitable due to pollution increases and lack of infrastructure; therefore remove from local plan
