The plan is not sound
The plan period need only be for 15 years not 20
Growth forecasts are optimistic. The current economic climate is uncertain and unstable
Housing numbers are over inflated by those with a vested interest
The high value of planned houses in the South will not be affordable to employees at the proposed warehouses.
Building affordable houses on Brownfield sites in the Town Centre must come first
NPPF has not been followed in regard to Greenbelt
Too much emphasis on logistics jobs which will become redundant due to automation
People choose to live in South Warrington because of its heritage and Village life, people will move away

Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

As above
The plan is flimsy and lacks detail
NPPF needs to be followed and not ignored
The plan is full of wishful thinking when it should be factually based
