Air Pollution is a major cause of death.

Getting rid of greenspace and increasing pollution with thousands of extra vehicles daily on the roads close to schools is dangerous
Greenspace aids people's health and well being

Warrington is not suitable geographically for major development, the fact the South is dissected by canals and has an already congested, problematic motorway network means the plans do not fit the purpose

The proposals are wishful thinking and will never work practically, they will bring the area and surrounding areas to a standstill affecting the economy and peoples lives

Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plan need to be adjusted to fit a 15year period with allowance for an uncertain economy paying attention to affordable housing on town centre Brownfield sites and not relying on warehouses and logistics for mass employment
