I object to the use of Green field sites when Brown field sites are still available and also Green Belt which was assured for 20 years, now being proposed for development after only 5 years. We need our Green sites for the health of our area and our Planet. Not enough thought has gone into road access, local amenities and school place availability for all these new houses. We do not need yet another Industrial estate when SO many units are unused on present estates, and such industrial estates should only be on Brown field sites, for reasons already mentioned.
