|                                       | Yes | No |
|---------------------------------------|-----|----|
| Legally Compliant                     |     | X  |
| Sound                                 |     | X  |
| Compliant with the Duty to Co-operate |     | X  |

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

WBC have increased the number of dwelling over and above central governments figures in a bid to build a city that nobody wants. Many areas of green belt are of natural beauty and natural habitats for various creatures. Current infrastructure will NOT support these additional buildings/dwellings and there is no provision to improve it, therefore much of any new development will need to be accessed using old over subscribed infrastructure

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Why are you asking the general public if it legally compliant?  
WBC pay fancy exorbitant fees to teams of lawyers for this.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
