Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Legal - you cannot ruin people lives by building on green belt. People have worked hard and earned money to live in this nice part of Warrington and have all the green belt around them.  
Sound - the government states that green belt should only be built on if necessary . It isn't. There is no demand for housing as can be seen from the number unsold on the market. There are no jobs (well paid, not in a warehouse) loss of various small historic villages which increase house prices and when you build these will go down and people will move out of Warrington. Not what you want.  
Duty - no one wants them. No one needs them. The green spaces are used daily for exercise, social gathering and learning. All this will be lost and quality of life will go down. Absolute disgrace

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Do not build on green belt. Yes I understand it needs to be built somewhere. Use unused brown field sites. There are so many across Warrington. Keep any building work up towards Appleton thorn as can get to M56 at Stratton. The m6/m56 junction is too busy as it is. Takes me 25 minutes to get to the motorway from Grappenhall due to traffic at rush hour.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
