	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I think that little thought has been given to alternative living - by this I mean - looking at redeveloping derelict/underused office blocks in to apartments - encouraging life back in to the town and as such making Warrington more desirable than it currently is. Then looking at developing brown field sites - destroying the green field is an easy option - but not necessarily the best option.

The proposed plan does not address the infrastructure needs sufficiently - besides being a bottle neck for traffic - we have bottle necks for local services - Dr's - schools etc

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
