PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The plan does not meet the special circumstances for the release of Green Belt. The plan does not address the impact the 'Garden Suburb' and Warrington Western link will have the area. The plan will result in an increase in air pollution levels in an area where they are amongst the highest in the country. This is in conflict with the Government targets to reduce pollution.
Overall the plan does not provide details of the funding for infrastructure, for example GP surgery.
The revised plan has changed little with respect to South Warrington in spite of the huge number of objections to the 2017 version of the Local Plan

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Release of Green Belt removed from the plan.
Policy on the reduction of air and noise pollution.
Realistic levels of houses to be built each year to be stated.
Clarity over the funding for infrastructure.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
