Subject: Objection to the local plan LTP4
Date: 07 June 2019 15:18:05

I wish to object to the local plan on the following grounds:

<>The number of houses proposed represents an unreasonable and unnecessary expansion of the town which will put a massive burden on local services. The basis of the assumption behind the proposal have not been properly scrutinised & subjected to sensitivity.

<>Roads are already struggling to cope with existing traffic, the new development will only make things worse.

<>Precious green belt should only be used as an absolute last resort when all brown field site have been exhausted

<>Green belt is essential for the environment & well being of the population

<>This is particularly important as Warrington is surrounded by motorways, with all the noise & congestion this already brings.

<>the proposal will lead to more pollution: the World Health Organisation advises that Warrington is one of the worst polluted towns in the country. This has a massive negative impact on the health of residents particularly the very young & old.

Regards

Malcolm Grant
