PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I do not believe the plan to be sound. The loss of 600 acres of Green Belt is not justified and the council should look to brownfield sites for any justified housing development. The area of South Warrington does not have sufficient infrastructure for current housing and business - the plan is not fit for purpose and would bring traffic chaos, unjustified pollution and environmental damage. The loss of greenbelt and the change to the distinctive character of the area is not justified by any exceptional circumstances. the plan is unsound and over ambitious.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The planned number of houses needs to be reduced and plans should be made to utilise brownfield sites with appropriate infrastructure. Greenbelt needs to be protected and current infrastructure upgraded to meet the current demand.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
