Objection to local plan
15 June 2019 12:12:45

Grappenhall local history group objects to the local plan for the following reasons.

Unjustified economic growth based on old data and ambitious assumptions • Overwhelming house build schemes - 18,900 houses across Warrington by 2037 • Overwhelming commercial premises near Appleton Thorn/ Grappenhall, - situated on approx. 365 hectares of pristine land, some of it precious Green Belt land; premises would be 2nd biggest in the country behind Trafford Park • Urban sprawl, 7400 houses in S Warrington alone, mostly around Appleton Thorn; destruction of village character and landscape • Unrelenting additional traffic, 2,000 HGVs per hour from Langtree Six/56 commercial warehousing site with 42m high 'sheds' • Pollution- air quality/ noise – Warrington already has worst record in the country for dangerous small 2.5-micron particulate emissions. There's a proven link btw exposure to small particulates and premature death (respiratory, heart) • Violation of green belt land, no special circumstances to release GB for new build premises • Contravention of Thorn Ward Neighbourhood Development Plan (NDP) TRANSPORT PLAN LTP4 • Poor transport strategy lacking essential detail – lots of road infrastructure is unplanned or only aspirational across lifetime of the Local Plan • Some infrastructure projects (roads and bridges) will be grossly underfunded and therefore whole plan is undeliverable OVERALL BOTH THE LP-PSV and LTP4 are UNSOUND AND UNDELIVERABLE
