	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

- 1) the plan should be over 15 not 20 years so fewer houses in green belt.
- 2) Fiddlers ferry earmark for closure. Massive brownfield site opens up for housing sooner than thought.
- 3) not enough affordable housing. Houses proposed are for high earners living out of town.
- 4) central government have strengthened protection on greenbelt. Theresa Mays legacy is to plant more trees and protect open spaces.
- 5) too much focus on warehousing. Plan says this will create 4000 jobs. This type of business is becoming increasingly automated.
- 6) council say housing number are set by central government, yet James brokenshire as said in a letter to residents that this is not the case.
- 7) projected housing figures are taken from from a few years ago when projected growth was higher than today. Birth rates have slowed so projected housing numbers are incorrect.
- 8) pollution levels will increase due to traffic from warehouses and new homes. Warrington is one of the worst towns for pollution.
- 9) congestion is already a problem. More HGVs and cars will only make this worse.
- 10) no new infrastructure such as schools GPS and no decision on new hospital.
- 11) wildlife ecosystems and habitats destroyed
